2019/2020 Katy ISD Livestock Show Results

Please join us in congratulating our excellent group of exhibitors this year at the 2019/20 Katy ISD Livestock Show. Each exhibitor displayed a tremendous amount of good sportsmanship throughout and showed class by following each day's instructions. Thank you to all for everyone's hard work – every person involved should have a lengthy list of positive highlights, lessons, and memories to reflect upon. The true success lies in the investment each livestock raiser made in themselves by making the choice to take on this challenge. Congratulations and well done Cinco Ranch FFA!

Thank you

It is our sincere hope that everyone had an enjoyable experience at the KISD Livestock Show in the spirit of good competition and learning in action. It is a busy few days that we plan and prepare for during the entire calendar year and we know that it would not go as smoothly as it does without everyone's help. Thank you so much to all parents and volunteers. From helping members and Advisors or being sure their child is where they should be at all times to providing a place to refresh or just cheer each other on while someone from our school is in the show ring. All of these contributions and people working together make a truly significant and positive impact on the chapter. *Thank you* to all of you for asking how you can help, donating and providing delicious food, and just being present at the show to show your support.

The Show Goes on...

Although the show may be over and projects are out of the barn, there are still many items to address and take care of before the show season can officially come to a close.

- Catalog delivery forms are due to Mrs. Ford by March 8.
- Thank you letters – Thank you letters should be written to all buyers and to any individuals giving add-ons. Each exhibitor will be provided with a list of the people contributing to their project and their address. **As soon as we receive these, they will be distributed. Deadlines and more information will be distributed as the lists become available. These will be due to Ms. Kacal.**
- Calf Scramblers – Members participating in the calf scramble who “caught” a calf will have an additional thank you letter to write to their sponsor. Names and addresses of each student's sponsor will be provided by an Advisor. **These are due to Ms. Kacal.**

Photos

If you have good pictures from the show, please share them with us. If it is one or two, please email or if more a disk copy would be better. The www.thephotooutlet.com pictures may be viewed online. **Buyer photos will be passed out for delivery when we receive them.**

HLSR Program Sales— Cody Johnson

On Thursday, March 12, Cinco Ranch FFA will head to Reliant Center to sell programs at the Houston Livestock Show and Rodeo. This event will allow us to raise money to offset the cost of banquet meals and keep from charging for tickets. Members will also be credited an “activity above the chapter level” that may be applied to next year's show requirements. We are excited to take advantage of this opportunity to raise funds for the chapter as well as provide a chance for the

chapter to see the world's largest agricultural event. We will leave from the back of the school/ag shop at 3pm. You must wear Show Official Dress.

CDE Corner

Students participating on Career Development Events (CDEs) this year have been practicing and training for several contests that take place throughout the rest of this school year. Our chapter will be participating in the upcoming HLS&R contest held throughout the Houston show season. Several other contests that will further prepare them for the qualifying Area contest in April are also quickly approaching!!!!

CDE Team Chili Cook Off!

We are having our 2nd annual CDE team *chili cook off*. It is scheduled for **Friday, March 6th**. Each team will be responsible for providing their own chili. We ask that each CDE team bring 1 crock pot FULL of chili to eat during the lunch periods. There will be a chili bar with all the "fixins".

What do you need to do? Get with your CDE team and decide who has the best chili recipe! Bring the crockpot of chili Friday morning to the ag hallway. Come eat during your lunch period. We will vote for who has the best chili!

Lone Star State FFA Degree

If you are in your third year of Ag enrollment, you may be eligible for your State FFA Degree this summer. If you meet these criteria and want to work on your degree, meet with Mrs. Jenschke to complete the application. We will begin working on the applications Tuesday, February, 25.

To be eligible, you must meet these requirements:

- Member of at least one LDE team
- Member of at least one CDE team
- Participated in most chapter activities
- Exhibited in KISD show
- Have 25 hours of community service
- Have a desire to receive this degree
- Be willing to work thru the process, including meeting deadlines.
- Attend the District FFA convention in April.
