## **CRHS FFA 2020-2021**

### **“Can’t touch this.”**

**As I return from maternity leave I would like to say thank you to everyone who so sweetly and generously thought about my family- from bringing meals the first few weeks, diapers and gifts (even for the spoiled older brother), or reaching out to make sure we were doing good. Having 2 little ones is a whole new ball game!! We appreciate and are so thankful for our Cinco Ranch FFAfamily! I would also like to give a huge shout out to Ms. K. and Mr. E. for holding down the fort and keeping our chapter moving during this crazy year.**

**(If you would like to see pictures add me on facebook!**

**With that being said here are some highlights since I have been out!**

### **2020/2021 Katy ISD Livestock Show Results**

Please join us in congratulating our excellent group of exhibitors this year at the 2020/21 Katy ISD Livestock Show. Each exhibitor displayed a tremendous amount of good sportsmanship throughout and showed class by following each day's instructions. Thank you to all for everyone's hard work – every person involved should have a lengthy list of positive highlights, lessons, and memories to reflect upon. The true success lies in the investment each livestock raiser made in themselves by making the choice to take on this challenge. Congratulations and well done Cinco Ranch FFA!

## Thank you

While the show looked a little different this year, it is our sincere hope that everyone had an enjoyable experience at the KISD Livestock Show in the spirit of good competition and learning in action. It was a busy few days that we planned and prepared for during the entire calendar year and we know that it would not go as smoothly as it does without everyone's help. Thank you so much to all parents and volunteers. From helping members and Advisors or being sure their child is where they should be at all times to providing a place to refresh or just cheer each other on while someone from our school is in the show ring. All of these contributions and people working together make a truly significant and positive impact on the chapter. *Thank you* to all of you for asking how you can help, donating and providing delicious food, and just being present at the show to show your support.

## The Show Goes on...

Although the show may be over and projects are out of the barn, there are still many items to address and take care of before the show season can officially come to a close.

- Thank you letters – Thank you letters should be written to all buyers and to any individuals giving add-ons. Each exhibitor was provided with a list of the people contributing to their project and their address. **These are due to Ms. Kacal April 1!!**
- Premium Auction Exhibitors – Members who sold in the premium auction received a picture last week. These need to be framed, hand delivered to your buyer, and signature page signed. **These are due to Mrs. Jenschke April 16.**
