

Blanket Bash Information

September 12, 2018

We will have our first community service event Blanket Bash Tuesday, September 25th. We will be making blankets for the patients at Texas Children's Hospital West Campus. You may donate \$5 (1 hour of community service) or \$10 (2 hours of community service) to help buy supplies. We will meet after school on the 25th to make blankets until about 4pm. If you participate in making blankets, that will be an additional 2 hours of community service.

In total, you can receive up to 4 hours of community service.
