Good morning all,

The Cinco Ranch FFA has had a tough few days. There are no words to describe the loss of such an influential part of who the Cinco Ranch FFA is; not only as a teacher, but also a role model for the kids and a friend to all. We will miss his teasing nature, his gentle smile, and his constant support in all things. It will continue to be hard, but our friendship with both John and Kim, our faith, and our love for the kids will guide us through this.

To all of those who have shown their support --- thank you! Whether it be sending out words of encouragement, sending items to the FFA kids, thinking about us, and praying for us we are so thankful. We have seen constant support from all and this is a true testament of how being a part of Cinco Ranch FFA is truly one of the best and supportive places to be.

We have talked to Kim a little bit. Her mom is able to be with her and she has been able to see her kids. She has had a couple of surgeries, and will have another today. Please continue to keep her in your thoughts and prayers as she continues to recover.

We have also been informed of a Go Fund Me account set up by a family friend. If you would like to contribute, please use the link below. However, we are going to be collecting items to send to Kim and her family- cash donations, visa gift cards, and cards/letters of encouragement. If you would like to contribute, please email me at [elizabethjenschke@katyisd.org](mailto:elizabethjenschke@katyisd.org) or text me at 361-772-0627. We will be delivering the items next Friday, so if you would like to contribute please bring by Thursday of next week.

As we find out more about what the family needs and information about John, we will be sure to keep you updated. For now, please continue to keep the Ford family in your thoughts and prayers, along with the Cinco Ranch FFA.

And thank you again for all the support!
